

III МЕСТО  
в личном зачете

The medal features several physics formulas and a diagram. At the top, it says  $F=ma$ . Below that is  $F=G \frac{mM}{R^2}$ . In the center is  $E=\frac{mV^2}{2}$ . To the right is  $E=h\nu$ . At the bottom is  $E=mc^2$ . On the left side, there is a diagram of a double-slit experiment with a screen and a central maximum. The diagram is labeled with  $h\nu_{23}$  and  $h\nu_{12}$ . The medal also has a small circular logo on the left and a stylized figure on the right.
